

# It's Time to Explore *Anguilla*

# It's Time to Explore

Visitors to Anguilla are often immediately astounded by the island's idyllic essence, as they are in search of rest and relaxation basked in the peacefulness of its climate. However, one element that can impede on holidaymakers' fun is navigating how to travel around the territory and see as much of its stunning scenery as possible. This is where Island Car Rental (Island Car) can lend a helping hand in letting you make the most of the beautiful island.

# Anguilla

## Island Car's unparalleled qualities

- An enviable reputation
- A trademark of personalised and prompt service
- Free delivery and pick up
- Unlimited free mileage
- Emergency road services
- Cars available at all Anguilla's hotel
- Headquarters conveniently located just a five-minute walk from the airport

just a breezy five-minute walk away from Anguilla's airport, making it easily accessible.

On top of this, Island Car has become renowned for its customer service, as our team is keen to get you on the road, therefore providing tailored rental experiences that exceed expectations and waste no time in getting the holiday started.

Island Car also offers a free delivery and pick-up service, whilst it has a range of vehicles available at all locations. This added convenience lets visitors get settled before they hit the road and alleviates the stress of car collection.

Therefore, if you are craving the feeling of the island's pristine sand under your feet, or want to be fully immersed in the vibrant culture and lush landscapes, Island Car is ready to provide you with a dependable and state-of-the-art vehicle that will alleviate all travel transportation worries and let visitors make the most of the exceptional island.

A trusted company that has spent over 40 years in the rental business, we offer Anguilla's abundance of visitors the best rental car service on the entire island, with superior car models and personalised, quality service.

So, which car do you choose? Unlike many other companies, Island Car understands how important the right vehicle can be.

Therefore, we work hard to provide a vast fleet of vehicles for drivers to choose from, showcasing a range of vehicle sizes, from smaller, economical cars to luxury SUVs and sparkling jeeps, perfect for family outings or zipping around Anguilla's mountain ranges in style.

For instance, the island's visitors have a chance to drive a Jeep Wrangler, featuring an up-to-date onboard computer system and a 'One Touch' roof. With a simple press of a button, drivers can open up the skies and let in the sunshine, elevating their journey to the next level.

Alternatively, we also offer the latest models of the Toyota Land Cruiser, with ample room for large groups of people and suitcases. With so many more models on offer, renting a vehicle from Island Car is the best choice for your holiday.

Customers also have the added convenience of leaving the plane and getting straight behind the wheel, as the company's office is situated
