# Solaire Resort Entertainment City

*- A site of true luxury*

Solaire Resort Entertainment City (Solaire), ideally situated on the picturesque Manila Bay in the Philippines, is the country's first luxury integrated resort. Boasting two impressive towers, Bay Tower and Sky Tower, the hotel offers a total of 793 well-appointed rooms, suites, and villas, each containing modern in-room features and amenities.

## AN UNPARALLELED GAMING EXPERIENCE

The resort's gaming floor, split across two expansive levels, stands out as a considerable haven for those who have graced even the world's most luxurious casinos. Boasting over 2,300 slot machines and more than 400 gaming tables, it rivals the likes of Macau and Las Vegas. The gaming floor also features Electronic Table Games that can be enjoyed in unison by up to 200 players, who can view their progress on one of the world's largest curved LEDs. Solaire Club, an exclusive member's experience, awaits Solaire's gaming elite – an entire floor where unmatched service and stunning culinary offerings await discerning guests.

Duly awarded the Best Asia-Pacific

Integrated Resort and Best Gaming floor at the 2023 IAG Academy IR Awards, the facility's excellence

within the Asian gaming and hospitality industry can be attributed to its innovation and world-class service.

## SUPERIOR SPA AND FITNESS FACILITIES

Solaire's vast and impressive swimming pool enjoys pride-of-place at beneath the warm Manila sunshine. Guests can enjoy taking a dip in the cool water or sipping on their cocktail of choice from the well-stocked poolside cabana.

Nearby, the extensive 14,000-square foot (sqft) spa and wellness centre awaits,

**“Duly awarded the Best Asia-Pacific Integrated Resort and Best Gaming floor at the 2023 IAG Academy IR Awards”**

which boasts a state-of-the-art Jacuzzi, a dry sauna, a steam room, and ten treatment rooms. Visitors can immerse themselves in the centre's numerous massage facilities, alongside a salon with a variety of beauty and pampering services for the ultimate relaxing experience.

In addition, a modern and well-equipped gym offers guests first-class facilities to remain on top of their fitness game,

whilst The Sky Range indoor shooting range is an exclusive luxury hub for target practice. Featuring a 25-meter-long shooting bay with 15 shooter lanes, alongside the latest technology in modular ballistic panels to ensure maximum safety, this unique offering certainly sets Solaire apart from the competition.

## DELUXE DINING

Guests will also be delighted by the extensive dining options at Solaire, which include an impressive 13 restaurants and bars, plus four dining outlets

located at the VIP area. A feast for the senses, Solaire presents guests with an incredible range of delicious cuisines - from Korean fried chicken to traditional Filipino dishes, alongside three stand-out signature outlets that blend global cuisines with true Solaire flavour.

Finestra Italian Steakhouse restaurant features dishes such as Steak Florentine, pasta handcrafted daily, and Balik Salmon. It was acknowledged as one of Philippine Tatler's Top 20 Best Restaurants in Manila in 2020.

**“Only the finest properties in the world achieve the Forbes Travel Guide 5-star rating”**

Yakumi restaurant presents a fresh and extensive selection of sushi, sashimi, and seafood flown exclusively from Tokyo's Toyosu Fish Market, whilst Red Lantern restaurant offers tastes and flavours of China's regional specialities.

For whisky connoisseurs, The Whisky Bar at Sky Tower presents an opportunity to sample some of the best whisky from across the globe, whilst music enthusiasts can enjoy countless live music experiences, including live piano music at Oasis Garden Café.

**5-STAR LUXURY ACCOMMODATION**

Only the finest properties in the world achieve the Forbes Travel Guide 5-star rating, one such property being the Sky Tower at Solaire, which has won the prestigious accolade and

been listed as one of the World's Most Luxurious Hotels for eight consecutive years. Renowned hotel and casino architect Paul Steelman designed the magnificent addition to the Manila resort's growing complex which oozes opulence, from the entrance hall's Lasvit glass chandelier to its unrivalled, panoramic views of Manila Bay. Sky Tower's 312 exclusive rooms range from 700sqft to an impressive 2,023sqft. The 1,700sqft Signature Suite, a one-bedroom suite featuring a huge king bed and separate

dining and living spaces, offers couples and families sheer comfort and luxury. A 55-inch flat-screen television and a well-stocked pantry only contribute to the lavish feel of this accommodation.

### ENDLESS ENTERTAINMENT

Entertainment options are endless at Solaire, which prides itself on staging world-class productions by hosting hit Broadway shows, concerts, and unmissable theatre performances at its 1,740-seated theatre. Featuring a state-of-the-art Constellation

Acoustic System, theatre goes can enjoy rich audio paired with staggering visuals.

Furthermore, sophistication and style collide at The Shoppes, Solaire's luxurious shopping arcade, which feature fashion brands such as Fendi, Louis Vuitton, and Prada, and Jewellers such as Bvlgari, Cartier, and Tiffany & Co. The Solaire Boutique, the resort's signature shopping site, offers guests an opportunity to collect a unique souvenir.

### A STATE-OF-THE-ART VENUE

In addition to its use as a consumer hotel, Solaire boasts versatile venues that have historically hosted impressive events such as corporate conferences, food fairs, and weddings. The Forum, furnished with impressive art pieces and the latest light and sound systems, presents a perfect

venue for meetings and events, whilst the Solaire Grand Ballroom, with 5-star banquet and catering services at guest's disposal, can be tailored to suit any need.

To experience the true luxury against the stunning backdrop of the idyllic Manila Bay, Solaire presents not just a hotel resort, but a site of superiority.
